Ministry of Electronics & Information Technology
National Informatics Centre
Tripura

This is to certify that "**Shri Ananda Muhuri**", a "3rd year (6th Semester) B Tech Electronics and Communication student" at "National Institute of Technology, Agartala, Tripura", has successfully completed a Summer Internship with us during the **2024-2025 session (from 15th May to 30th June)**.

During his internship, "Shri Ananda" has worked on a project titled "Faq Chatbot", utilizing technologies like "Python, Postgres & Phi-2 LLM", specifically focusing on Large Language Model (AI).

Shri Ananda has contributed to a reusable component that is now being used in our live "Beneficiary Management ecoSystem" project.

His performance has been Excellent, and I recommend him for future assignment on AI Projects.
